—NOVEMBER 12, 1901—

Collector Sapp at Louisville has resigned his office, with the accent on the word resigned.

The Democrats will control both Houses in Maryland and Gorman is safe for Senator.

Owensboro went for Yewell the Republican candidate for mayor by 55 majority. Col. Thos. S. Pettit, the Democratic candidate, will contest.

A gold mine was discovered while excavating for a government building in Helena, Montana. The government will receive the profit.

Halil Rifat Pasha, Grand Vizier of Turkey, died last week. Grand Rye-fat Turkey himself will die Nov. 28th.

The lost Tayapa gold and silver mines, worked by the Spaniards 200 years ago, have been found near Guaymas, Mexico. The old smelters and other ruins have been unearthed.

The Democrats elected all but two of their nominees in Todd county. Wallace R. Wood, formerly of this city, was elected county clerk over Arch Dickinson by 15 votes and Miss Mina Griffin, the Republican nominee for school Superintendent, was successful by 81 votes.

Mrs. Archibald S. White, wife of the President of the Salt Trust and one of the most beautiful women in New York, slipped in her bathroom and fell, striking her head on a marble basin, producing death. She was found some time afterwards, dead on the floor with her skull fractured.

Exhibitors are arriving in large numbers in Charleston, S. C., and 100 roads of exhibits have already reached the city for the exposition. The people of Charleston are making great preparations to entertain the visitors. The exposition is expected to open December 1.

Judge J. Fletcher Dempsey was thrown from a buggy in Louisville Sunday night, while driving and sustaining very serious injuries, that may prove fatal. Judge Dempsey's home is at Madisonville and he is a member of the State Railroad Commission.

Admiral Schley will visit Memphis in January to accept a silver service to be presented to him. The court of inquiry was concluded last week and the decision of the court to be announced later is expected to be a triumphant vindication of the "Hero of Santiago."

A blowing cave has been found by oil-well borers in Wayne county. The Blowing Cave is not far from Dry Fork and it is so named because a wind is constantly coming from it in a wild sweep and it can be heard cutting and shrieking in side the cavern. It is an accepted theory that the air coming from Blowing Cave comes from deep water that is rushing through the cavern.

## Catarrh Cannot Be Cured

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients, is what produces such wonderful results in curing Catarrh. Send for testimonials free.

J. J. CHENEY & CO., Props., Toledo, O. Sold by druggists, price 75c. Hall's Family Pills are the best.

## Itching Skin

Distress by day and night—

That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear. "I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was not long before I was cured. Have never had any skin disease since." Mrs. Ida E. Ward, Cove Point, Md.

## Hood's Sarsaparilla and Pills

rid the blood of all impurities and cure all eruptions.

Li Hung Chang's death was caused by the desperate effort of Russia to obtain his signature to the secret Manchurian treaty without the approval of the ministers of the other Powers. Li insisted on first getting the approval of the ministers, and on the Russian minister refusing to permit him to make public the treaty, Li refused to sign the treaty and flew into a rage, which caused the fatal hemorrhage. Meantime Japan had obtained an inkling of the proceedings and succeeded in getting the Empress Dowager to direct Li not to sign. He was already unconscious when this order was received.

Esq. Thos. H. Major made a most creditable race for magistrate in the Longview district. The district is made up of five overwhelmingly Republican districts, but Esq. Major succeeded in cutting down the majority to only 68 votes over a popular Republican. He carried his own precinct almost solidly and virtually wiped out the big majorities in two others.

The vote in Hopkins county had not been counted in the Senatorial race yesterday afternoon, as the board is holding night sessions. It is expected that Feland's lead of 9 votes will be overcome by the canvass of 21 doubtful ballots not counted.

The statue of Thomas Jefferson, presented to the city of Louisville by Messrs. I. W. and B. Bernheim, was unveiled Saturday afternoon in the presence of 4,000 people. Former Gov. W. O. Bradley was the orator of the occasion.

Naylor's majority over Mott Ayers, in Fulton and Hickman, was 579.

It is understood that the general merchandise business will be continued under the management of Mr. R. W. Trotter, who has had charge of the store for several years.

## WANT FREE PIKES.

Clarksville Wrought up Over Loss of Trade.

A special from Clarksville to Sunday's American says:

"The business men of Clarksville are much wrought up over an alleged loss of trade to Hopkinsville on account of the workings of the toll system. The recent purchase of that portion of the Hopkinsville pike lying in Christian County by that county, resulting in the abolishment of the toll system, it is claimed, has turned much trade that otherwise came here to Hopkinsville, the Montgomery County portion of the pike being still maintained as a toll pike. An effort will be made to induce the County Court to take early action looking not only to absolute purchase and freeing of this pike, but of all the pikes and ferries in the county along similar lines lately pursued in Davidson County. Next week a meeting of all the business interests will be held in connection with a meeting of the Board of Trade to take such action on this subject as seems best under the circumstances."

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by all druggists.
